5. County Fiscal Year 2025 HD Budget

Discussion / Possible Recommendation

There are still a lot of things in the air related to the CFY2025 Budget – including the health insurance and some grants that could impact the health department. While we might normally recommend a health department budget at this point, I think it might be better to delay as we work with the County through the budget process. I’m leaving this on the agenda as a potential action item; but don’t anticipate asking for any action on it at the meeting.

Roll call vote: Motion carried: _____. Motion failed: _____.

6. Next Scheduled Board of Health Meeting: Monday November 04, 2024.

The November meeting agenda will likely include: adoption of a CFY2025 Health Department Budget, election of officers, appointment of committees, and scheduling of meetings for CFY2025. It may include review / adoption of revised personnel policies; but there is still some work to do on those.

If you have a specific health department area or program / service you’re interested in hearing more about or if there is a guest speaker / organization which you’d like to hear from, please let me know.

7. Adjournment

_____ moved that the board adjourn. _____ seconded the motion.
